**FOR IMMEDIATE RELEASE:**

**RMK Management Announces New Rental Community,  
The Arbors at Barrington**

Chicago-based RMK Management Corp. has announced that it has been selected as property manager for The Arbors at Barrington, a rental community with a variety of newly renovated apartments located in a park-like setting in northwest-suburban Barrington, Ill. First occupancies of the 76-unit community began in July.

Located at 428 W. Russell St., near Hough Street/Route 59, the community offers studio and loft apartments, as well as traditional apartments and two- and three-story townhomes with one to four bedrooms and one to four baths. Studio floor plans measure 556 square feet, with rents starting from \$799 per month. One-bedroom-plus-loft floor plans measure 921 square feet, with rents starting from \$999 per month. Two-bedroom residences are available from 1,014 to 1,158 square feet for \$1,199 to \$1,269 per month. Townhomes measure from 1,010 to 2,540 square feet with rents ranging from \$1,229 to \$2,699.

"The Arbors is a hidden gem for renters in Barrington," said Tony Rossi Sr., president of RMK Management Corp. "The apartments have all been updated with condo-quality finishes, plus the community is located in a well-landscaped, tranquil setting with many on-site amenities."

In addition, Rossi said The Arbors' location is a big benefit to residents. The community is less than one mile from Barrington's Metra station, which offers 10 weekday express trains into Chicago's Ogilvie station. On average, commutes to the Loop are 45 minutes via Metra.

The Arbors is also within walking distance of Barrington's historic downtown, which offers summer farmer's markets, a historic movie theater, boutiques and restaurants. Major grocery stores, high-end shopping and renowned schools are also in proximity to the community.

"The community of Barrington is mostly known for sprawling estates and single-family homes, but the Arbors provides renters with a rare opportunity to live in close proximity to all of the town's offerings," said Rossi.
